

Ultimate Bathroom & Ensuite

UPGRADE PACKAGE

Get trendy in your bathrooms

Having built thousands of family homes since 1990, we understand that families want a balance between function and style in the bathroom. That's why in close consultation with our clients we've taken the most popular upgrade options and combined them with the latest in bathroom design trends to provide you with a stylish yet affordable option we've called the "Ultimate" in bathroom inclusions.

Ultimate Upgrade Package

Transform the look of your bathrooms with a real sense of WOW! Upgrade to the latest in vanity designs with French style above counter square basins and 20mm CaesarStone bench tops. Add premium mixer tapware to your basins, showers and baths, as well as stylish frameless mirrors above your vanities. Give your showers a sense of luxury with semi-frameless shower screens, low profile metal shower hobs and brass 4 function hand showers. Chrome waste drains throughout your bathrooms will really set them off!
