Entire Classic inclusions pack must be taken. Classic inclusions are an upgrade to Designer inclusions. Deletions will not be credited. Internal feature doors do not include robe or linen doors. Flyscreens to sliding or hinged doors not included. Changes to designs may incur additional costs and are subject to Coral Homes' Head Office approval. Extra labour may be used in lieu of concrete pump. The price of site works will be calculated based on individual site conditions and fixed at contract stage (special Local Authority requirements not included). Pricing based on a standard 30sq home design. Values may vary slightly according to chosen home design and building region. Refer to Builders Standard Classic Specification for more detail on all items in Classic inclusions pack. QBSA No. 50792/1014053 & OFT NSW No. 62084C
